REPORT.

TO THE QUEEN'S MOST EXCELLENT MAJESTY.

MAY IT PLEASE YOUR GRACIOUS MAJESTY,

1. We, the Commissioners of Charitable Donations and Bequests for Ireland, appointed under an Act passed in the 7th and 8th years of your Majesty's reign, entitled "An Act for the more effectual Application of Charitable Donations and Bequests in Ireland," humbly beg leave to submit to your Majesty this our Twenty-sixth Annual Report.

2. Since the date of our last Report thirty-three meetings of our body have been summoned, and of these twelve proved abortive, by reason of the non-attendance of a sufficient number to form the quorum of five required for the despatch of business by the Act of the 7th and 8th years of your Majesty's reign. In our last report we adverted to the inconvenience to the public business caused by similar abortive meetings, and we expressed our opinion that the time had arrived when an amendment in the law ought to be made by a reduction of the present quorum. The experience of another year in the working of the Act of the 30th and 31st years of your Majesty's reign has confirmed the opinion then expressed by us.

3. We have carefully considered several suggestions for the amendment of the law prepared by our Secretaries, in accordance with our directions, and we have had the conclusions at which we arrived, drawn out in detail and forwarded to your Majesty's Government. We entertain every hope that if these suggestions should be approved of by the Legislature, the result will be a more regular and satisfactory discharge of our business, and at the same time increased protection to charities.

4. In our Twenty-fourth Report we stated that we had directed our Secretaries to prepare and print Abstracts of the Charitable Bequests for each year, in such a form as would be readily accessible for reference or search by persons interested in the charities. We subsequently reconsidered that direction, and decided that it was not necessary to have it carried out; as we found that the publicity, which we consider so important a protection to Charitable Bequests, has been sufficiently secured by the manner in which our Secretaries have caused the provisions of the Act of the 30th and 31st years of your Majesty's reign, to be observed by those whose duty it is to notify Charitable Bequests. Furthermore, we thought it would be desirable to avoid increasing the pressure on the time of the small staff of officers at our disposal, as well as to spare the expense that would have been incurred, and which proved likely to be more considerable than was originally calculated on.

5. The taxed costs of our Solicitor for the year ending March 31st, 1871, amounted to £433 15s. 1d., of which the principal portion will be discharged out of Charity funds in our hands, or recovered by us in proceedings in Court.

6. The various funds and shares in public companies voluntarily transferred to us since the passing of the recent Act enabling us to accept them, as well as the names of the several charities in which they were transferred, will be found in the Schedule No. 8 in the Appendix to this Report.

7. Since our last Report we have held twenty-one meetings for the despatch of business. At these, in addition to providing for the usual payments and distribution of funds under our control, we made 144 orders in various charity matters.

8. We annex to this our Report, in Schedule No. 2, a copy of the Abstract of our Accounts in the several charities under our administration, from 1st January, 1870, to 31st December last; the details of which with their vouchers having been lodged as usual with the Master in Chancery for examination and audit, have been examined and passed, and a declared copy lodged in the Privy Council Office, in accordance with the provisions of the Act of Parliament.

9. The total amount of the trust funds which were under our care and control in cash, and vested in Government and other securities on the 31st December last, is set forth in the 4th, 5th, and 6th Schedules, the particulars of which, together with the objects of each trust fund, will be found in Schedule No. 7.

10. The annual amount of rents and annuities under our guardianship at the same period specifying the particular amount of each, with the name of the testator or donor by whom created, the source from whence each is derived, and the object of each trust, is given in Schedule No. 9; and in Schedule No. 10 will be found a Return of Charity Funds standing to the credit of causes or matters in the Court of Chancery, in which the title of the Charity has been established by decree or order.

All which we submit as our Report to your Most Excellent Majesty, and in testimony thereof have caused our corporate seal to be hereto affixed, this 6th day of July, 1871.

Present when seal affixed :
